This well presented and maintained second floor penthouse apartment offers bright, spacious accommodation and enjoys pleasant views over the village and surrounding countryside from all aspects of the property including a large roof solarium. Please note this could be an excellent investment opportunity! The existing Spanish tenants have been in residence since 2013 and would be very happy to remain. If this could be of interest, please contact us for more details. The apartment forms part of a small, well-maintained gated community of just sixteen apartments, the development benefits from lift access and secure underground parking. Ideally located within easy walking distance of the town centre, residents have convenient access to a wide... (Ask for More
