This beautifully presented spacious apartment is second line to the beach and offers wonderful views of the Mar Menor Sea. The apartment is located on the third floor and is part of a small gated community which provides residents parking and is within a short walk to the local train station and the centre of the village giving access to good amenities. The apartment was built in 1984 but has been reformed to a very good standard with new doors, flooring and modern windows to offer a light and airy living space. Please note access to the apartment is by the communal staircase with forty eight steps as there is...(Ask for More Details!)
