Substantial 4 Bedroom Country Home – Pozo Estrecho La Finca Beautifully presented country house located on the private urbanization of La Finca, Pozo Estrecho. This property is unique with many traditional rustic features. This is a small secluded gated urbanization found only a 10 minute drive from the port city of Cartagena. Within this community there is a large shared pool, tennis courts, and football pitch. This delightful house has retained many of its rustic and original features which adds to its charm. This is certainly a very unique home in that it was constructed on a large plot size within a privileged setting in the country-side ...(Ask for More Details!)
